Evaluating and Understanding Mail Order and MLM Programs

So You Don't Get Ripped Off!

Thousands of people fall victim to MO/MLM fraud every year. The best way to stop becoming a victim is to recognize the different kinds of schemes and scams around today - Gifting, Chain Letters, Monitored Clubs, Buy a Name Box, Home Workers Needed, etc.

How do you identify bad programs? What's the first question to ask about programs? Is your first impression your best impression? Are new programs better than old programs? Are homemade programs profitable? How can you tell if a person is a con? How do owners use fees to get rich at your expense? How do you look beyond promotional hype? How do you tell a slick program from a valuable one? What's wrong with gift exchange? How many programs should you work at one time? When is the best time of the year to promote your programs? What's the biggest threat to success? How do you avoid program jumping? What's the biggest problem with multiple programs?
