Dear Friend,

You are about to discover a money-making system so powerful, that even if it sits on your shelf and collects dust, it can make you an instant millionaire in less than 30 days. There's no guarantee of getting filthy rich overnight, but **what is guaranteed** is that if you follow the easy steps shown, **you will get paid \$7,925 every single month** to play the lottery, if you never win a cent in the drawings.

If you do win anything in the lottery, it's just gravy (pretty rich gravy I might add). You will be getting paid to play on 31,240 tickets in two of the biggest lottery drawings in the U.S. Jackpots are frequently over \$100 million dollars and if anyone of the 31,240 tickets you are playing on win, **you get to keep 10 percent of the jackpot in addition to the \$7,925 per month you are already getting paid!**

You don't need a computer to do this and it works from anywhere in the country, even places with no lottery or places that ban the lottery outright.

What you will discover has been flying secretly under the radar since 1996. I only got wind of it in August 2006. Since then, every month, like clockwork a check has shown up as promised, and it continues to get bigger and bigger each month, while I do practically nothing.

Listen to what Alice P, a 65-year-old retired grandma from Ohio has to say:

“Unbelievable! I made \$4,172 last month without budging from my chair and my income keeps growing every month!”

Or what about Scott B from Virginia who pulled down \$3,258 from his kitchen table last month:

“This is like having a second income – without having to work. By following a simple process that takes less than an hour, my monthly check just keeps growing! \$3,258 Last Month!”

Thousands of other people have been doing this since 1996, but they've just kept their mouths shut about it. Many are making a lot more money than Alice and Scott, but they don't want the whole world knowing their mailbox is an ATM machine.

Now it's time to spill the beans and let you in on the **secret loophole state agencies don't want you to know about**. The entire system is presented in a simple to understand book that you can read in one night and put into action immediately. Within 30 days you will be on your way to making at least \$7,925 per month, but at any time, you can become an instant millionaire.

This normally sells for \$77, but **if you act right now** it will be rushed out to you by first-class mail and you only have to pay to cover the costs of production and fulfillment – just \$20. What you are getting has been kept under wraps for over a decade and **is worth \$95,100 a year to you**. For less than the price of going to the movies (or renting one from blockbuster and ordering pizza) you are going to receive a powerful money making system that will pay for itself a hundred or more times over the very same month you receive it!

Now you are probably also wondering why in the world someone would share this program with you if it worked so great. After all, why would someone give something away so cheap that can put \$7,925 a month in your pocket? Wouldn't it make more sense to just keep it under wraps and just use it quietly?

The truth is that when you use this system, as you are making more money, my income grows too! Not only that, if you hit a \$100 million Powerball Jackpot (or any lottery winnings) you are going to get to keep half of it (still, \$50 million is not too shabby) and I'm going to get 10% (I'll take a measly \$10 mil). You see, **my real income comes from using the system too, not selling it**.

Now, can you see why **I would just love it if you won** anything in the lottery and **also put insane amounts of money in your pocket each month even if you didn't win?** This is win/win for both of us.
