HOW is FT5K different and **WHY** can this earn you more money faster?

Our system is different from other programs in **6** important ways:

- 1) We have a first-ever exclusive Team Bonus System that generates income from a large team of members, leading our members to earn more money.
- 2) FT5K is professionally run by DME, a well-established company with a 30+ year track record (call our 24/7 msg. or do some research).
- 3) We provide **EXCEPTIONAL VALUE...** over \$800 of real value; you just don't get that with other programs or companies. FT5K is #1 on the market in value.
- 4) We pay out more money in commissions than virtually any other program on the market, paid 3 times per month. Bigger commissions mean you earn more!
- 5) We have a proven system with both flyers and post cards. You can earn **\$125** for new members joining with the lifetime membership, plus residual income on your 2nd and 3rd levels. Team Bonuses can push your income even higher.
- 6) We offer true long-term residual income. This is extremely rare! After years of research, we partnered with a one-of-a-kind company that is product-driven, expanding globally, and growing faster every quarter (details in your welcome kit).

So if you are seriously looking for a way to generate extra income every month, you have in your hands the hottest and most powerful program on the market. Plus, we help you build a long-term residual income with a system that guides you to realize your dreams of financial freedom!

Those who join with the \$250 option can earn SERIOUS money... take a look at this example of how you can earn thousands with a small group of members:

You find 5 people who join at the \$250 level = **\$625**

They each find 5 people.... 25 X \$20 = **\$500**

Those 25 each find 5 people.... 125 X \$30 = **\$3,750**
