

Get Paid to Advertise

By the time you're done reading my book (don't worry – it's a quick and easy read), you will (hopefully) know that this may be.

The ultimate way to get and keep more customers

As you'll see, this method is much more effective than any other advertising or marketing program. That's a mighty bold statement. I know. But I will prove this to you, beyond every doubt you may have. It's in my short book. Can I send you a copy?

No Pressure. No obligation. Just say "maybe" for now.

I'd love to send you a copy of my brand new book. It'll tell you more about our unique advertising program and how our **Gold Card Advertising Program** helps you get more customers and make bigger profits. It's just \$5.00 with free shipping, which just helps us know you're serious and covers our costs.

Fill out the form below and send it to my authorized distributor: They'll make sure you get a copy of the book. No pressure, they're not a salesperson, I promise.

But you must hurry. We're developing new accounts in communities all over the United States and with some strategic online and direct mail partners, and we will not allow competitors to overlap and hurt our existing partners. Getting our book today will lock-in an on-hold position for you to have a chance to participate (only if you like what you read) before your competitors get the chance to lock you out.

P.S. A \$400 value gift you can give to your customers. Send for my book now, and I'll show you how my Gold Card Advertising Program gives you **an unlimited quantity of our branded Gold Cards with your business name and logo.**
